Mike, just got your message as I was out of town all last week except Monday. Did someone cancel the Town Board meeting scheduled for Monday Nov. 14 and the possible meeting with the San Juan County Commissioners?

Subject: Meetings with BLM and State on Cement Creek

Brent Lewis, from BLM, has confirmed that they will not be able to meet this week to discuss coordination with EPA and the State on Upper Cement Creek. He will be emailing potential dates they would be available the next couple weeks. Once I get the dates from Brent, I'll work with the EPA and State teams to confirm a time.

I am not sure what has been confirmed with the elected officials and Stakeholder group for meetings in Silverton, but we will need to postpone those meetings next week.
